I am a great fan of Ifikhar Thakur and Aminder Gill and the rest of the team in the film were simply superb ... Ifikhar Thakur's timing was perfect, a brilliant actor. Absolutely brilliant film, just seen the first show in the UK and I can't wait to go see him again! The comedy has not stopped and the management has felt better in this film than the first. Sequels usually disappoints but not the case with this. Never wanted the movie ended up! I can't wait for the third installment. In the midst of all this threat of crown virus, I went to watch this movie as a great Aminder Gill was a great disappointment no history line, it seems they are biting on part success he wanted to give so many MSGs who have forgotten what It's the Sandhu you can't act for her wards the end we were so stewed that we were ready to get out of this ASAP movie.
